

<p>1 NO POVERTY</p> 	<h2 style="text-align: center;">SDG 1 - No Poverty</h2>	
<p>Developing countries</p>	<p>Financial inclusion</p>	<p>Poverty line</p>
<p>Basic services</p>	<p>Income</p>	<p>Quality of Life</p>
<p>Class</p>	<p>Income equality</p>	<p>Social protection systems/social protection</p>
<p>Disadvantaged</p>	<p>Microfinance</p>	<p>Sustainable</p>
<p>Economic resources</p>	<p>Non - discrimination</p>	<p>Third World</p>
<p>End poverty</p>	<p>Poor</p>	<p>Vulnerable</p>
<p>Environment</p>	<p>Poor and vulnerable</p>	<p>Wealth distribution</p>
<p>Equality</p>	<p>Poverty</p>	
<p>Extreme poverty</p>	<p>Poverty eradication</p>	

2 ZERO HUNGER

SDG 2 - Zero Hunger

Agricultural Orientation index	Food	Hungry people	End hunger	Nutritious	Nutrition
Agricultural productivity	Food gap	Improved nutrition	World's hungry	Poverty	Sustainable
Agriculture	Food production	Innovations and health	Stunting	Produce	Trade restrictions
Consume	Food reserves	Legumes	Sustainable food production	Productivity	Small - scale food producer
Crop diversity	Food Security	Maize	Genetics	Quality of life	Sustainable agricultur
Crops	Genetic diversity	Malnouris hed	Sufficient food	Resilient agricultur	Under nourished / Undernourished
Doha Development Round / Doha Round	Genetic diversity of seeds	Malnutrition	Trade diversity	Rural infrastructure	

3 GOOD HEALTH AND WELL-BEING

SDG 3 - Good health and well-being

Access to clean water and sanitation	Child deaths	Health worker density	Malaria	Refugees and health services
Affordable medicines	Contraceptive use	Healthy	Maternal mortality	Vaccines in developing countries
AIDS	Deathrate	Healthy lives	Measles	Violence
Air contamination	Dental	Hepatitis	Medical	Sexual health
Air pollution	Disability and family support	HIV	Mental health	Waterborne disease
Alcohol abuse	Disability and inclusion	Improving mortality	Mortality	WASH
Antenatal care	Disability and politics of location	Increasing life expectancy	Mortality rat	Treatment of substance abuse
Antiretroviral	Diseases	Indigenous	Narcotic drug abuse	Wellbeing/well being/well-being
Antiretroviral therapy	Family planning	Infected	Neonatal mortality	Water, Sanitation and Hygiene for All
Biomedical	Health	Tobacco control	Polio	Premature mortality
Bodily autonomy	Health in resource - constrained settings	International health regulations	Treatment of substance abuse	Wellbeing/well being/well-being
Preventable deaths	Reproductive health	Soil contamination	Tuberculosis	Water, Sanitation and Hygiene for All
Reducing malaria	Road traffic accidents	Soil pollution	Universal health	
Reducing mortality	Sexual and reproductive health - care	International health policy	Universal health coverage	

4 QUALITY
EDUCATION

SDG 4 - (Quality education)

Access to education	Equal education	Learning opportunities	Teacher training
Basic education	Equitable education	Lifelong learning	Universal education
Basic literacy	Gender disparities in education	Literacy	Vocational training
Basic literacy skills	Gender disparity	Literacy skills	Vulnerable
Cultural diversity	Gender equality	Numeracy	Women's rights
Disability	Gender equity	Preprimary education	Wellbeing/well being/well-being
Disability and education	Gender sensitive	Primary education	Enrolment
Early childhood	Global citizenship	Qualified teachers	Equal access
Early childhood development	Global education	Refugees and learning	Innovation
Education	Inclusion and education	Scholarships	International cooperation
Education in developing	Inclusive	School	Secondary education

5 GENDER EQUALITY 	SDG 5 - Gender equality		
Basic living standards	Parity	Pay	Women
Dignity	Marginalised	Reproductive rights	Equality
Disadvantaged	Humanitarian	Sexual and reproductive health	Exploitation
Discrimination	Human trafficking	Sexual exploitation	Violence against women
Employment	Human rights	Sexual violence	Workplace equality
Empower girls	Governance and gender	Social inclusion	Women's rights
Empowerment	Gender discrimination	Trafficking	Women in work
Empowerment of women / empower women / women's empowerment	Forced marriage	Universal health coverage	
Equal access	Feminism	Violence	
Equal opportunities	Female genital mutilation	Violence against girls	

6 CLEAN WATER AND SANITATION 		<h2>SDG 6 - Clean water and sanitation</h2>			
Accessible water	Defecation	Inadequate water supply	Rivers	Toilets	Wastewater treatment
Affordable drinking water	Desalination	Infrastructure	Safe drinking water	Third world	Water ecosystems
Aquifer	Diarrhoeal diseases	Irrigation	Sanitation	Untreated wastewater	Water - related ecosystems
Cities	Drought	Lakes	Sanitation and hygiene	Water scarcity	Water - use efficiency
Clean water	Dumping	Latrines	Sanitation management	Water disasters	Water supply
Contaminated	Ecosystem protection	Open defecation	Sewerage	Water access	Water harvesting
Equitable sanitation	Ecosystem restoration	Pollution	Sustainable water management	Water resources management	Water quality
Floods	Inadequate water	Recycled water	Sustainable withdrawals	Water efficiency	
Fresh water	Improving water	Reuse	Urban	Water	
Hydropower	Hygiene	River basins	Wastewater	Waste	

7 AFFORDABLE AND CLEAN ENERGY

SDG 7 - Affordable and clean energy

Affordable energy	Hydroelectric	Low carbon	Vehicles
Alternative energy	Greenhouse gas emissions	Modern electricity	Wave
Animal waste	Greenhouse gas	Modern energy	Wind
Battery	Green economy	Reliable energy	Wind power
Carbon	Fossil - fuel	Renewable	Wind turbine
Charcoal	Energy technology	Renewable energy	Wood
Clean energy	Energy research	Renewable power	Climate goal
Clean energy technology	Energy infrastructure	Solar	Coal
Clean fuel technology	Energy efficiency	Solar energy	Electricity infrastructure
Clean fuels	Energy	Solar power	Electricity
Cleaner fossil fuel technology	Emissions	Sustainable energy	Sustainable energy services
Sustainable power			

8 DECENT WORK AND ECONOMIC GROWTH

SDG 8 - Decent work and economic growth

Aid for trade	Gross domestic product growth	Human trafficking	Poverty eradication
Banking	Global trade	Inclusive economic growth	Poverty line
Child labour	Global resource efficiency	Innovation	Productive employment
Child soldiers	GDP growth	Insurance	Productivity
Creativity and innovation	Forced labour	Job creation	Public policy
Culture	Financial services	Jobs	Quality jobs
Decent work	Finance	Labour market	Quality of life
Decent work for all	Equal pay	Labour rights	Resource efficiency
Development oriented policy	Entrepreneurship	Micro finance	Safe work
Economic growth	Enterprises	Migrant workers	Secure work
Economic productivity	Economy	Modern slavery	Slavery
Society	Sustainable consumption	Sustainable production	Well -paid jobs
Stable employment	Sustainable economic growth	Trade	Women migrants
Stable jobs	Sustainable tourism	Unemployment	Work
Youth unemployment	Youth employment	World trade	Work opportunities

9 INDUSTRY, INNOVATION
AND INFRASTRUCTURE

SDG 9 - Industry, innovation and infrastructure

Access to the internet	Environmentally sound technologies	Resilient infrastructure	Resource use efficiency	Value chains and markets
Affordable access	Financial services	Research	Roads	Water infrastructure
Affordable credit	ICT infrastructure	Regional infrastructure	Sanitation	Value chains
Clean technologies	Industrial diversification	Quality of life	Scientific research	Water resources
Cooperation	Industrialisation	Public policy	Society	Transport
Data banks	Information and communication technology	Phone service	Sustainable industrialisation	Transborder infrastructure
Economic development	Infrastructure	Network infrastructure	Sustainable infrastructure	
Electrical power	Innovation	National Security	Technological capabilities	
Energy	Internet access	Mobile networks in developing countries	Technology	
Enterprises	Irrigation	Knowledge in education for all	Trade	

10 REDUCED INEQUALITIES 		SDG 10 - Reduced inequalities	
Affordable housing	Education	Homophobia	Quality of life
Age	Empower	Human rights	Race
Ageism	Equal opport unity	Inclusion	Racisim
Business	Equality	Income growth	Reduce inequalities
Children	Equity	Income inequality	Religion
Culture	Ethnicity	Indigenous	Rural
Developing countries	Financial assistance	Inequalities	Sex
Developing states	Foreign aid	Inequality	Sexism
Development assistance	Foreign invest ment	Migrant remittance	Social protection
Disabilities	Gender	Migration	Society
Discrimination	Global financial markets	Population growth	Vulnerable nations
Discriminatory	Health	Poverty	World trade
Economy	Homelessness	Public policy	

11 SUSTAINABLE CITIES AND COMMUNITIES

SDG 11 - Sustainable cities and communities

Adaptable	Development planning	Human settlements	Natural disasters	Sustainable cities/city
Adaptation	Disaster management	Impact of cities	Natural heritage	Sustainable communities
Affordable housing	Disaster risk reduction	Inadequate housing	Overcrowding	Sustainable urbanization
Air pollution	Disaster Strategy	Informal settlements	Pollution	Town planning
Air quality	Disasters	Infrastructure	Population	Slums
Cities	Fine particulate matter	Land	Population growth	Smart cities
Climate change	Green spaces	Land consumption	Public spaces	Transport systems
Community	Heritage	Local materials	Public transport	Urbanisation
Cultural heritage	Housing	Mitigation	Resilient	Waste
Decentralization	Solid waste	Urban	Risk reduction strategy	Waste generation
Resilient buildings	Suburban	Urban development	Road safety	Waste management
Resource efficiency	Sustainable	Urban planning	Safe cities	Water
Resource needs	Sustainable building/s	Urban sustainability	Shanty	Water related disasters

**12 RESPONSIBLE
CONSUMPTION
AND PRODUCTION**

SDG 12 - Responsible consumption and production

Capitalism	Energy consumption	Harvest losses	Recycling	Energy	Recycle
Cars	Energy efficiency	Life cycle	Reduce waste generation	Sustainable management	Vehicles
Circular economy	Energy use	Market distortions	Reduction	Sustainable production	Sustainable consumption
Commercial enterprises	Food	Materialism	Renewable	Sustainable public procurement	Waste
Consumer levels	Food losses	Materials goods	Resource efficiency	Sustainable resource use	Wasteful consumption
Consumerism	Food supply	Monitoring sustainable development	Responsible production chains	Greenhouse gasses	Water
Consumption	Food waste	Natural resources	Retail	Sustainable practices	Water supply
Deep decarbonisation	Fossil fuel subsidies	Obsolescence	Retail industry	Sustainable supply chain	Water pollution
Ecological	Future proof	Overconsumption	Reuse	Sustainable tourism	
Efficient use of resources	Global food waste	Production	Sustainable		

13 CLIMATE ACTION 		<h2 style="color: white;">SDG 13 - Climate action</h2>	
Average global temperature	Climate mitigation	Greenhouse gases	
Carbon	Climate refugees	Ice loss	
Carbon dioxide	Climate related hazards	Low - carbon economy	
Changing weather patterns	Climate resilience	Natural disasters	
Climate	CO2 capture	Natural systems	
Climate action	CO2 conversion	Ocean warming	
Climate adaptation	COP 21	Paris Agreement	
Climate and gender	COP 22	Pollution	
Climate and infectious disease	Ecosystems	Renewable	
Climate and politics	Emissions	Sea level rise / Rising sea / Rising sea level	
Climate change	Extreme weather	Temperature	
Climate change management	Extreme weather events	Warming	
Climate change planning	Global mean temperature		
Climate change policy	Global temperature		
Climate early warning	Global warming		
Climate hazards	Greenhouse gas		
Climate impact	Greenhouse gas emissions		

SDG 14 - Life below water

Artisanal fishers	Ecosystem management	Marine areas	Productiv e oceans
Biodiversity	Fish species	Marine biodiversity	Protected areas
Carbon dioxide	Fish stocks	Marine ecosystems	Seas
Coastal biodiversity	Fish stocks and fisheries management	Marine fisheries	Sustainable ecosystems
Coastal ecosyste ms	Fisheries	Marine Parks	Sea grasses
Coastal habitats	Fishers	Marine pollution	Unregulated fishing
Coastal parks	Fishing	Marine resources	Water resources and policy
Coastal resources	Fishing practices	Ocean	Coral bleaching
Coastlines	Global warming	Ocean acidification	Coral reef
Conserve	Illegal fishing	Ocean temperature	Law of the Sea
Conserve oceans	Kelp	Oceanography	Marine
Oceans	Overfishing		

15 LIFE
ON LAND

SDG 15 - Life on land

Afforestation	Extinct	Land use and sustainability	Strategic plan for biodiversity
Agriculture	Extinct species	Manage forests	Terrestrial ecosystems
Animals	Extinction	Managed forests	Threatened species
Arable land	Forest	Micro - organisms	Tree
Bees	Forest management	Permaculture	Tree species
Biodiversity	Forests	Plants	Wetlands
Biodiversity loss	Genetic resources	Poaching	
Conservation	Illegal wildlife products	Poverty	
Deforestation	Illicit trafficking	Protected fauna	
Desertification	Indigenous	Protected flora	
Drought	Indigenous populations	Protected species	
Drylands	Invasive alien species	Reforestation	
Ecosystem	Land conservation	Soil	
Ecosystem restoration	Land degradation	Soil degradation	
Ecosystems	Land loss	Species	

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

SDG 16 - Peace, justice and strong institutions

Abuse	Enforced disappearance	Inclusive institutions	Physical abuse
Accountability	Equal access	Inclusive societies / society	Police
Accountable institutions	Equity	Institutions	Prevent violence
Arbitrary detention	Exploitation	Internally displaced	Psychological abuse
Arms	Flow of arms	Judiciary	Public policy
Arms trafficking	Freedom	Justice	Quality of life
Birth registration	Geography of poverty	Justice for all	Representative decision - making
Bribery	Governance	Legal identity	Rule of law
Combat terrorism	Hate crime	National Security	Security threats
Conflict resolution	Human rights	Non - violence	Sexual abuse
Conflicts	Human trafficking	Organized crime	Sexual violence
Corruption	Illegal arms	Paris principles	Stolen assets
Discrimination	Illicit financial flows	Peace	Tax evasion
Education	Inclusion	Peaceful societies	Theft
Torture	Trafficking	Transpare ncy	Un - sentenced detainees
Unstable societies	Victims of violence	Violence	
Violence rates	Weapon seizures	Violence against women and children	

17 PARTNERSHIPS FOR THE GOALS

SDG 17 - Partnerships for the goals

Capacity building	Foreign direct investments	International population and	Technology cooperation agreements
Civil society partnerships	Fostering innovation	Housing census	Technology transfer
Communication technologies	Free trade	International support	Weighted tariff average
Debt sustainability	Fundamental principles of official statistics	International support for developing countries	Women entrepreneurs
Development assistance	Global partnership	Knowledge sharing	World Trade Organization
Disaggregated data	Global partnership for sustainable development	Multi - stakeholder partnerships	
Doha Development Agenda	Global stability	Poverty eradication	
Entrepreneurship	International aid	Public - private partnerships	
Environmentally sound technologies	International cooperation	Science cooperation agreements
